

## Introducing the Wallumbilla State School P&C Association

The Wallumbilla State School P&C Association warmly welcomes new families to our wonderful school and community. We encourage current and new parents and citizens of our school community to join the P&C and to become involved in supporting our school and students as they evolve and thrive.

A Parents and Citizens' Association (P&C) is a group of community minded people, parents and citizens, who take on a more formal role to assist the school in providing:

- feedback on school policies and activities
- additional resources to be used to enhance student learning
- Parents with opportunities to be involved in their child's education.

The P&C members come together to undertake numerous activities throughout the year that are fundamental to the development of a successful school community. These activities include Tuckshop once per week, Swimming Club, working bees and numerous fundraising events that ultimately financially contribute in the provision of additional resources for students, teachers and the school.

Joining the P&C Association is a great way to keep informed, to contribute to the quality education of your children and to make new friends. Your contribution can be as large or small as you can manage, but your ongoing support of the P&C Association is invaluable.

Not only will you be supporting the school community but you will be supported by the school community. You can learn new skills, and gain a clear understanding of how the school operates. This is a great opportunity to share in the school's decision-making process and shape the future. It's also a great way to meet new people and have some fun! Everybody's contribution is valued.

For any questions or queries please contact any of the Wallumbilla State School P&C Executive Members:
